Amplify your potentials

Students' potentials can often be optimized through appropriate care, guidance and mentoring.

AMPLA EDUCATION PROVIDES a one-stop, all-inclusive education consulting service for students aiming to enter the top boarding schools and universities in the UK, the US and Canada.

From initial consultation to strategic planning and implementation, Ampla provides all the back-up services and teaching support to adapt to students' specific needs. Their expert staff would first identify the strengths and needs of individual students before designing a customized strategic plan that best align with their objectives and preferences.

Further guidance includes supporting candidates in their application essays;

arranging academic tutorials to prepare for entrance exams; coaching for interviews with a comprehensive report to analyze performance; and offering a tailor-made curriculum based on student's particular needs together with school requirements.

Consulting services continue after confirmation of acceptance. Bridging language and cultural courses are available for students to help with the transition; students can enjoy online tutorials and mentorship support throughout the school years with consultants and tutors across the globe.

Ampla Education has a stellar record, with 100% of their students receiving offers from the top 30 schools or universities in the country; over 90% receive offers from their first choice, and students on average record a 30% improvement in their academic performance in 2 months with personalized tutorials.

Students successfully gain admission to such illustrious universities as Cambridge (UK), Oxford (UK), Imperial (UK), LSE (UK), Harvard (US), Stanford (US), Yale (US) and Chicago (US), while examples of admissions success for boarding schools include Badminton (UK), Charterhouse (UK), Eton (UK), Winchester (UK), Phillips Academy Andover (US), Phillips

Exeter Academy (US), Dana Hall (US), Upper Canada College (CA), Crescent School (CA), The York School (CA) and more.

Ampla Education is staffed by a team of Oxbridge and Ivy League graduates who possesses vast experience in academic tutorials, as well as in giving advice for university and boarding school applications. It aims to inspire and empower students to excel in their education journey.
